It would certainly pay you to push this corn. We are the largest importers in the West of Dutch Bulbs, and would be pleased to have a list of your wants in this line, and will make very close prices, and feel sure we could make it to your interest to place your order with us.

TERMS: To regular customers and houses with established credit, June 1, unknown correspondents may remit with order, or goods can be sent by express, C. O. D., or by freight and have sight draft attached to bill of lading. Our stocks are suited to the most critical trade and all orders will have careful and immediate attention.
